MESSAGE

Dear Confreres,

Today we celebrate **the feast of the Visitation of the Blessed Virgin Mary, Mother of God**. This feast has a special significance for us as Fransalians. The only Religious Congregation that our patron St. Francis de Sales founded together with St. Jane Frances de Chantal celebrates its feast today. This Congregation gives us a living exegesis of this feast as the spirituality of this Congregation founds itself on three mounts, i.e., Mount Calvary as the academy of Love, Mount of

Judea as fraternal Love, and Mount Alps where these two dimensions of Love fuse together in the hearts of Visitandines and reach out the whole world. The month of May is dedicated to Marian Devotion. It comes to its climax with the Visitation of the Blessed Virgin Mary to her cousin St. Elizabeth. Mary, the Mother of the Church, as the Ark of the Covenant traverses the Mount of Judea to reach out in sisterly love to her cousin Elizabeth, who received the grace of Motherhood in advanced age. **A deep sense of charity helps us to surmount difficulties with ease**. The child in the womb leaps for joy. **The womb of a mother** is the first cradle of formation, a sacred space. Let not the post-modern and secularized world forget it.

Today two of our Novices have taken their first vows and twenty-one members have renewed their vows. Let us keep all of them in our prayers. We also remember with gratitude all those who are engaging themselves these days for Vocation Promotion. We pray for the intercession of our Blessed Mother that we may become truly the instruments of God for the salvation of the world.
