Salesian Thought

Straight from the heart of Fr. Peter Marie Mermier

**“The pleasure and the movement
of the will
towards kind things is
properly speaking, Love.”**

**“Only he can be said
to be learned in God's love,
who knows to love
truly, effectively
and forcefully.”**

Prayer Intention of the Superior General for the Month of October

Through our Blessed Mother's intercession, our new missions and communities in Malawi, Indonesia, Ecuador, Peru, Chile, Spain, and Italy may be blessed by God, and our confreres may joyfully present our charism to the People of God. We pray to the Lord.

From the Desk of the Provincial

Dear Confreres,

With immense joy, I greet you on the Feast of our venerable Founder, Servant of God, Father Peter Mermier, an ardent and zealous religious and, an audacious and passionate missionary. We draw inspiration from him for our religious life and spirituality. Father Mermier and his colleagues began to lead religious life in La Roche. Fr. Petitjea who was one of them writes of the first community, “there reigned between the members a sincere cordiality, simplicity and modes cementing their unity.”

Even as a newly ordained priest, Father Mermier chalked out a rule of life for himself and was committed to prayer, work and persevering effort. He was passionate about practicing the evangelical vows unreservedly, much before founding the Congregation. His conviction about poverty is admirable. He wrote for himself the following: “as much as it depends on me, I will have a room without tapestry, without decoration... The Cross or Crucifix that I will have will not be gilt but of simple wood. I will have an earthen-ware holy water stoup. I will observe this same rule of simplicity and poverty with regard to some other necessary furniture: candle-stick, writing-desk, etc. In my room I will never have a mattress on my bed.” Fr. Desjacques, to whom Father Mermier was the Curate, saw in him a soul of good will, ardent but docile. Both of them cultivated mutual trust and friendship. Father Mermier, the assistant priest, always sought the counsel and advise of Fr. Desjacques. Both of them lived a meaningful community life at the presbytery of Magland.

Seeking the will of God and being obedient to it was the characteristic that underlined the priestly life of Father Mermier. In December 1815, Mgr. de Solle, Bishop of Chambéry wanted Father Mermier to be a professor at Melan. Fr. Desjacques himself said to Father Mermier: “God wants you at Melan.” He took up the responsibility joyfully and obediently. At important times of decision making, the advice of Father Desjacques was helpful: “let your soul hear the voice of God. Embrace the Crucifix and listen to it.” He learnt to find his will in the will of God. Such a communion of will increases in a communion of thought and sentiment, and thus our will and God's will increasingly coincide (cf. Deus Caritas est, 17).

The way our founder led the first community continues to remain a model for community-living in our times, too. Father Mermier always shared with his colleagues his vision, plans

and desires concerning his new community. He consulted them and sought their advice on important matters (Jean Rey on Father Peter Mermier). He was convinced that obedience includes consultation and being respectful. The members of the community shared all their experiences in the art of preaching and in being all to all. The members, including Father Mermier, played marbles in the parlour during recreation and organized games like children.

Father Mermier surrendered his heart always to God. Nevertheless, it was not easy to make decisions due to his undying missionary spirit. It pained our Founder much that he could not be a part of the pioneering missionaries to India. At La Feuillette, a farewell ceremony was organized during which the feet of those who were leaving were kissed by others. This solemn but emotionally moving ceremony expresses the passionate love of Father Mermier and his respect for the missionaries.

His death anniversary reminds us of our commitment to religious life and missionary life, rooted in community life. Let us mould ourselves further as courageous missionaries, joyful religious, and caring and compassionate confreres. I wish you a very Happy Feast of the Servant of God Father Peter Mermier, our Founder.

Annual Retreat - I

The 1st annual retreat for 2024 – 2025 was held from 18th to 23rd August at Holy Cross Spirituality Center, Yercard, in which 44 confreres took part. The Facilitator of the Retreat was Rev. Dr. Robin S. Seelan, SJ, Director of Satya Nilayam Research Institute, Chennai. The retreat was based on the Ignatian method, and its central theme

‘the Sowers of Hope’ was highlighted throughout the meditation, Eucharist, Holy Hour and

conference. Fr. Robin guided us to self-awareness, led us to self-discovery and helped us have an introspection of ourselves. The retreat was a great eyeopener for all of us in terms of self-care, and we learned the art of managing and balancing our lifestyle and above all we learned about the need to rest sufficiently so that we can focus on our mission intensively. It also taught us the power of silence, inspiring all the participants to practice silence throughout the retreat. Fr. Robin captivated everyone by his magnetic power of communication. Another remarkable element is that the preacher often referred to the study papers of General Chapter, Charism of our Congregation and even quoted every now and then St. Francis de Sales and Fr. Peter Mermier.

Breathing exercises, spiritual directions, guided meditation, well prepared talks, inspiring stories, video clips and anecdotes led us to deep reflections. The environment, both in and around the house made it possible for the participants in a prayerful atmosphere. The accommodation was pleasant and the meals were sumptuous. The Sisters of Holy Cross of Chavanod, as hosts, took best care of us. Rev. Fr. Patrick Jayaraj, the Provincial Superior and the administration made meticulous plan for the Retreat. May God be praised.

Fr. A. Jeyaseelan

The Annual Retreat - II.

“The Lord will fight for you while you keep silence” (Exo 14:14).

The second Annual Retreat for 2024 - 2025 was held from 22nd to 27th September at Holy Cross Spirituality Centre, Yercaud, in which 35 confreres Participated. The retreat was preached by Re, Dr. Maria Antony (Diocese of Sivagangai). On the 1st day Fr. C. Sebastin Raj addressed the participants and accorded the preacher a warm welcome. He was honoured by Fr. A. Charles Michael Raj with a shawl. The preacher then evoked and enlightened all of us in a holistic way.

His insights and thoughts were enriched with his personal experiences. He animated us all throughout the retreat with breathing exercise, journeying in to the inner self, seeking wisdom, sharing and serving our hearts' aptitudes and attaining the fullness of the heavenly spirit. His thoughts were founded on the Bible, lives of Saints, Indian Philosophy, Indian Theology and great heroes of the world. All the spiritual events from Morning Prayer till Rosary at night were well-arranged and participated. The preacher celebrated the Holy Eucharist on the

5th day for the wellbeing of the province. Fr. A. Edward thanked the preacher for the wonderful spiritual experience. He also thanked Fr. S. Santhanam, Fr. A. Mahimai and the Holy Cross Sisters for the meticulous arrangements.

Province Family Day 2024

The South-East India Province celebrated its inaugural "Province Family Day" on 17th July 2024 at MSFS Provincialate in Trichy. This landmark event, deeply cherished by every confrere, offered a rare opportunity to step away from our hectic duties and routines, allowing all of us to come together as one MSFS South-East India Province family to refresh, rejuvenate, and rejoice. The day exceeded the expectation of all, brimming with fun,

laughter and camaraderie with a variety of sports, games, cultural activities and shared meals. The organizing committee meticulously planned a wide range of both outdoor and indoor games such as: doubles in shuttle, carroms and table tennis; basketball and volleyball matches and a vibrant cultural fest that added colour and joy to the celebrations.

The day commenced with a meaningful Eucharistic Celebration, presided over by Fr. George Koottinal, the eldest member of the province family, a meaningful homily preached by Fr. Vanathaiyan and celebrated by the Apostolic Community Conveners, who led their respective teams throughout the day. During the opening ceremony, Fr. A. Patrick Jayaraj, the Provincial Superior, set the tone with an inspiring message following the unveiling of the theme, "Under One Umbrella." The entire day was packed with activities, as if, offering a nostalgic glimpse into our college days. It was heartwarming to witness senior and junior confreres playing together with such energy, dedication and sportsmanship. After intense competition, St. John de Britto Apostolic Community, Pudukkottai emerged as the Overall Champion of the Day.

During the cultural hour and dinner that followed it, prizes were distributed, and confreres joyfully showcased their talents in singing, dancing and sharing jokes, and thereby creating an atmosphere of perfect entertainment. The day concluded with a word of exhortation and gratitude from Fr. Patrick, the Provincial.

Special thanks were extended to Fr. Johnson Jeyabal, the convener and the organizing committee: Fr.

Vincent Sagayaraj, Fr. Santhanam, Fr. D. Jaya Kumar and Fr. Mahimai - for their meticulous planning and execution. The provincial administration along with the Bursar was also commended for envisioning such a unique program. Heartfelt appreciation was conveyed to the Apostolic

Community Conveners and Secretaries and to each confrere who participated enthusiastically, making the day a memorable one for all.

New Parish in the Diocese of Mzuzu in Malawi

Indeed, it is a grace-filled moment for our entire Province as we have taken up a new parish in the diocese of Mzuzu in Malawi. St. Alphonsus

Rodriguez pro-parish, Masasa is our sixth parish in Malawi. We thank God for His abundance of love and gracious gifts at every step of our missionary venture. Fr. Infant Jesus is installed as the parish priest and Fr. Eugene Earnest as the assistant parish priest. The handing-over program took place on 9th August 2024 at 09.00 am. Rev. Fr. Thomas Gondwe, the former Parish Priest, presented the reports in the presence of

Rt. Rev. Yohane, the Auxiliary Bishop of Mzuzu, Rev. Fr. Soosai Raj, MSFS, the Mission Superior, and the Parish committee. The Parish is located in Mzuzu, about three kilometers away from the centre of the town. It adds further value, as this place lies in the middle of our mission stations spread between the centre of the country to the northern borders.

There are around 1,500 Catholics living in this parish. A good number of them attend the daily Mass. The parish consists of two zones and eleven small Christian communities. The territory of the parish is geographically very terrain. The roads connecting the villages to the main station are muddy and uneven. In the rainy season, it is slippery, making the travel risky and dangerous. The farthest village is 60 kilometers away from the parish and is situated down the hill. The parish has a spacious Church, but the presbytery needs to be constructed.

We appreciate Fr. Soosai Raj, the Mission Superior and the confreres in Malawi for their efforts in expanding the mission. We wish Fr. Infant Jesus and Fr. Eugene Earnest all the best and God's abundant blessings as they have taken up this pro-parish with a lot of enthusiasm and commitment.

Annual Meeting of Malawi Mission

It was an important occasion for the Malawi Mission when the confreres congregated for the Annual Meeting on 12th and 13th of September 2024 at Nkhata Bay. At the meeting a number of concerns were discussed in view of the growth of the Mission. At first, we evaluated the implementation of the decisions and the suggestions made at the previous meetings. The parish priests and curates shared about their success in their respective parishes and their future plan for their mission stations. We had also a serious discussion on the projects that we have executed in our parishes. Sufficient time was spent on the discussion on common projects in the Mission in view of making the Mission and the local communities self-sufficient. Further, we had a discussion on the canonical visitation of the Assistant Superior General and the forthcoming visit of the Provincial Bursar and the Provincial Councilor for Mission to Malawi. The annual meeting was a successful one, wherein we could evaluate our life and ministry, and show our solidarity with one another. After the meeting, we had a half day picnic at the Lake where we shared our joy and happiness as one family.
