SWIP Circular TK/13

July, 2023

My dear Confreres,

As you know the first ballot for electing the delegates for the General Chapter 2025 was conducted from 15th to 18th July. I am happy to announce to you the results of the first ballot that include both the electronic voting as well as physical ballot papers.

The total number of confreres who could vote = 248

The total number of confreres who casted their votes = 182

Absolute majority required for being elected = 91+1=92

Thus, no one has pooled the required absolute majority of 92 votes. Hence, we have to elect all the FOUR Delegates through a second ballot. In the second ballot, the list of those who can be voted for will consist of "twice as many candidates as there remain delegates to be elected" (as per GD 274) from the "candidates who obtained the most votes after those elected on the first ballot". The names of those first eight candidates who pooled the most number of votes are put in bold letters who will form the list of those who can be voted for in the second ballot. The list for the second ballot will be forwarded by 22nd of July and the voting will take place from 25th to 28th July. In the second ballot only a relative majority suffices (GD 273).
