February 2024

**My dear Confreres,**

Cordial and prayerful greetings to all of you! Coming as we are from the grace of Christmas, the joy of welcoming six new priests into our Province communion, and the revitalizing inspiration from celebrating the feast of our heavenly patron St. Francis de Sales, we are fast approaching the beginning of the season of Lent. In his message for Lent 2024, Pope Francis warns us that ***“too often we are dominated by an inexplicable longing for slavery,”*** a desire to cling to idols that paralyze us, as Israel was paralyzed in the desert. Lent, however, is a “season of grace, a time of conversion,” where the desert can become “a place where our freedom can mature in a personal decision not to fall back into slavery,” where “we find new criteria of justice and a community with which we can press forward on a road not yet taken.” The Lenten journey is thus both a time for action as well as a time “to pause” in prayer and to pause “in the presence of a wounded brother or sister” letting thereby “the contemplative dimension” of Lent to “release new energies,” in us in order to be “more sensitive to one another.” May Lent 2024 have such a transforming effect in each one of us!

## ONGOING FORMATION AT THE CONGREGATIONAL LEVEL

The General Secretariat for Formation is resuming ongoing formation programmes for all the confreres at the Congregational level. The first of it in the series will be a three days programme with the theme, “Ongoing Formation: A Call to Transformation,” for the priests ordained from 2017 through 2022. It will be conducted at two different venues:

1. **At MSFS Provincialate, Guwahati, Assam**, for the Provinces of **Dibrugarh, Guwahati, Nagpur and Pune** from **February 28 through March 1, 2024** (Arrival on February 27 and Departure on March 2, 2024).
2. **At Stella Maris, Visakhapatnam**, for the Provinces of **South East India, South West India and Visakhapatnam** from **March 13 through 15, 2024** (Arrival on March 12 and Departure on March 16, 2024).

If a confrere is not able to attend the programme in the prescribed place allotted to his province due to unavoidable reasons, he may make arrangement to participate in the alternative place with the due permission of his Provincial Superior. Participation in this programme is obligatory and Fr. Santhosh Kumar, our Councillor-in-charge of Formation will get in touch with the concerned confreres and assist you to make all the necessary arrangements.

## A COMMON SOFTWARE FOR ACCOUNTING

Due to the non-familiarity of majority of the confreres in using the complex tools adopted by professional accounting, majority of us are overdependent on the province accountants in book keeping and accounting. **Our Province will be taking the help of an easy-to-use common software**, widely used by several religious congregations and dioceses, which is not only easy-to-use for anyone without the need for any technical training, but would also ensure timely compliance with maintaining accurate accounts. On a trial basis it will be used in a few units of ours and if found to be addressing all our accounting needs, it will be introduced in all units of our province from the next financial year.

## SUBODHANA PVT. LTD. COMPANY

Ever since the introduction of GST legislation in our country on the taxable income and the concerns raised by the department of education, we have been deliberating with the experts in the field as to how we could effectively and efficiently manage our production units at Karahalli and Kolar and the way to organize the transactions on books, uniforms and stationery in our educational institutions. We have been advised to register a private Firm under the Indian Companies Act which could effectively address our concerns.

Accordingly, we have registered a Firm already with the name SUBODHANA PVT. LTD with Frs. Balavendra Jacob, Jijo Chemplanickal and Benny Marangolil on the Board of Directors. The Board of directors will remain as the Officials of the company, whereas **Fr George Vattappara is designated by the Provincial Administration to be appointed by the board of Directors as the Manager** who will effectively spearhead all its activities. Fr George Vattappara, the Manager, will organize the affairs at the respective areas of concern both at the production units and the purchase deals at every educational Institution in the Province. I thank Fr George Vattappara for accepting this assignment and bring out the best with his expertise in the field.

### **COMMON POLICIES FOR THE STAFF AND SERVICE RULES FOR THE RETIRED EMPLOYEES**

**T**he Provincial Council in its meeting on the 23<sup>rd</sup> of January 2024 has approved common policies for the staff in all our educational institutions that specify among others the age of retirement and service rules for further employing retired employees. These policies will soon be published in the portal of education forum and will come into effect from the academic year 2024-25.

### **CALLING FOR VOLUNTEERS TO OUR CHAD-CAMEROON MISSION**

**C**had-Cameroon delegation is in urgent need of the services of at least two confreres. Indeed, there are a good number of scholastics in formation in our delegation and in a few years the delegation would have sufficient number of confreres for its mission. But to weather the immediate need, both in the mission and formation, it needs strengthening it from India. With two confreres, even for a short period, the delegation could breathe easy.

### **PERMANENT DELEGATE OF THE PROVINCIAL**

**A**rticle 233 of our Constitutions as amended by the Extraordinary General Chapter 2023 and subsequently approved by Rome reads: “Once the provincial administration is in place, in consultation with his council, the Provincial nominates one of his councillors, other than the Admonitor as his permanent delegate who will act on his behalf, in case of his absence or prolonged incapacity.” Art. 253/iii of General Directory as modified by the extraordinary General Chapter 2023 reads “The permanent delegate of the Provincial/Vice-Provincial will act only in the absence or incapacity of the Provincial/Vice-Provincial in terms of those delegated functions specified by the Provincial/Vice-Provincial and made known to the province.” As mandated by these norms, in consultation with the Provincial Council and with the approval of our Superior General, I appoint hereby **Rev. Fr George Vattappara as the Permanent Delegate of the Provincial.**

## MID-TERM PROVINCIAL ASSEMBLY

**W**ith the amendment of the term of a Provincial to be of a single non-renewable term of 5 years, our constitutions make it mandatory to have a mid-term Provincial Assembly. Article 236/i of our constitutions reads: “In addition to the ordinary provincial chapter/congress, a mandatory mid-term assembly is convoked by the provincial to review the implementations of the orientations and action plans of the preceding ordinary provincial chapter/congress.” Accordingly, with the approval of our Superior General I convoke hereby a mid-term assembly of our Province to be held from **Monday, July 22<sup>nd</sup>, 2024, starting with breakfast and concluding on Wednesday, July 24<sup>th</sup>, 2024, with lunch.** Since it is a provincial assembly, not an ordinary provincial Chapter/Congress, it will not have the ordinary powers of a provincial chapter or congress. Yet all the perpetually professed members are to participate in it. For practical reasons, members working abroad will be present through representatives, the mechanism for which will be worked out. Due to the large number of possible participants, we will have to seek a facility other than ours. We are in the process of identifying a convenient facility. Please block these dates in your calendar to ensure the participation of all. More details of the Assembly will be communicated in due time.

## PRELIMINARY STUDY COMMITTEE FOR DIVISION OF THE PROVINCE

**T**he Provincial Chapter of 2022 had as one of its action plans to “apprise the General Administration of the mind of the Provincial Chapter to conduct a consultation on the Division of the Province.” Accordingly, our Superior General was intimated about this and he had asked the Provincial Administration to appoint a committee for conducting a preliminary study to know the mind of members of the province regarding whether and how of a possible division. With the approval of the Superior General the Provincial Administration has constituted a committee with the following members: Fr Thomas Cherukat (convenor), Fr Jacob Parappally (member), and Fr A. Anthony Swamy (Member).

In setting the terms of reference for this committee, the following may be taken into account: A Province is divided “for greater missionary effectiveness and better administrative efficiency.” (Const. 222). “In fixing or redefining the territorial boundaries and in determining membership, the guiding principles should be apostolic and administrative efficacy, and our commitment to global mission, and to transcultural community living.” (Const.223) “With the consent of the Superior General the Provincial ascertains .... [the need for it] through a mechanism preferably an opinion poll. About two-third perpetually professed members of the Province need to endorse the proposal for the process of the Division of the Province to be pursued further.” (GD on Division of Provinces 2.2.1/1).

In a detailed directive by our Superior General in setting the modalities for conducting the opinion pool, he has highlighted the following: “the division is not on linguistic and cultural lines;” and “we, the General administration, want to insist on the Committee providing at least two or three models/plans that ensure division across states and cultures.” The proposed models need not be “diocese-wise and state-wise, but according to missions and institutions.” It could also be diocese-wise. The models presented for the referendum should also take into account continued support for the two delegations, taking up foreign missions, as well as the reality of two rites. Thus, it would be the first task of the committee to articulate two or three models, the rationale for each, and pros and cons of each of them, and present them to the provincial administration. The provincial administration, after studying the models, will forward them with modifications, if necessary, to the General Administration for approval. Once the General Administration gives the approval, the committee will carry out the consultation process and the findings will be forwarded to the General Administration by the Provincial. If the General Administration is convinced that the mind of the majority of the members is for a division of the province for reasons mentioned in the constitutions and the General Directory, it will initiate seriously the process of division by appointing a study-commission as prescribed by our General Directory on the Division of Provinces 2.3. and follow further steps as prescribed.

#### AFRICA DAY

All our educational institutions used to observe “Africa Day” and send the proceedings to our mission. This practice got interrupted with the outbreak of Covid 19. I request all our principals to re-start this noble practice, which was indeed a great help for our mission.

#### HERITAGE RETREAT AND SPA PROGRAMME

From our Province **Fr. Sebastian Kulangarathottiyil** will participate in this year’s Heritage Retreat and **Fr. L. Selvaraj** will participate in the SPA programme.

### CANONICAL VISITATION OF THE PROVINCIAL

The annual canonical visitation of the provincial will commence on February 5, 2024. The schedule is given below. A note will be sent to all the superiors detailing what needs to be done in preparation for the visitation. It is a time of blessing and growth as we revitalize the life and mission of our province at the grass-root level through honest sharing, assessment, and drawing realistic plans for the future. Let us all therefore pray for its success, prepare well, and participate wholeheartedly.
